Important Notifications:

Qty. indicates Box or Skid quantities.

The ** in Part Number represents the color codes.

Pergolas are measured by the beam and rafter lengths, not by column spacing.

Pergolas are available in kits. Material can also be ordered for special sizes or options that are not sold in kits.

Superior Plastic Products, Inc. does not design or engineer special pergolas. Wooden cores or aluminum beam support are required for all vinyl pergola rails. Customers are encouraged to have their pergolas drawn by a local structural engineer. Superior Plastic Products, Inc. will provide engineering reports of structural components for these purposes.

THANK YOU

Thank you for your interest in Superior Plastic Products.

For the past 40 years, Superior employees have been hard at work in the heart of Lancaster County, Pennsylvania, creating beautiful and lasting fencing, railing, and accessories. Our high-quality products come to you direct from our manufacturing plant, where we craft our products to the highest standards.

We appreciate you taking the time to browse this book and see what Superior has to offer to you and your customers. Partnerships with businesses like yours are the key to our success, and we look forward to supplying you with superior, low-maintenance vinyl products. Thank you for your business!

May God Richly Bless Your Company,
